(insert your company name).

We understand that by taking this decision, we are unable to lodge an incident report form for the purposes of receiving compensation under the Allied Overnight Express "Loss and Damage Warranty".

We also understand by taking this decision, we are bound by Allied Overnight Express' standard terms and conditions of contract, which may be viewed in full on the Allied Express website at www.alliedexpress.com.au. These standard terms and conditions include clause 15, which is to the effect that in the event that goods are lost or damaged by the negligence of Allied, Allied is not liable in tort or in contract for such loss or damage.

The reason we have chosen to decline this warranty is:

- We have undertaken a cost/benefit assessment and feel it is better to absorb the cost of any loss or damage internally.
- We have sufficient loss mitigation plans in place to cover our requirements.
- We have an insurance policy that covers items in transit.
